The following is a description of the business background of the Directors and executive officers of Timberline Resources Corporation:

Paul Dirksen – Executive Chairman, President and Chief Executive Officer

Mr. Dirksen (68) has over 35 years of experience in the mining and exploration industry, serving in executive, managerial, and technical roles at several companies. He has been a director since January 2005 and our Vice President of Exploration from May 2006 to January 2012. Mr. Dirksen became Executive Chairman in September 2009 and was appointed President and Chief Executive Officer in March 2011. Working in the United States and internationally, he has a strong technical background, serving as a team member on approximately nine gold discoveries, seven of which later became operating mines. From January 2005 to May 2006 he was self-employed as a consulting geologist until joining Timberline Resources. Mr. Dirksen was the president of Brett Resources from January 2004 to December 2004, and prior to that, from January 2003 to December 2003, he was President of Bravo Venture Group, a junior exploration company. During 2002 he was self-employed as an independent mineral geologist. Between 1987 and 2001, Mr. Dirksen was Senior Vice-President of Exploration for Orvana Minerals Corp. He holds an M.S. in Geology from the University of Nevada. Mr. Dirksen currently serves as a director of Bravada Gold Corporation and International Northair Mines Ltd., and is employed on a full-time basis with Timberline Resources.

For the following reasons the Board of Directors (the “Board”) concluded that Mr. Dirksen should serve as a director (a “Director”) and Executive Chairman of the Company, in light of its business and structure. Mr. Dirksen’s extensive management experience in mineral exploration companies and background in mineral projects enable him to provide operating and leadership insights to the Board as the Executive Chairman. Further, his training and experience as a geologist allow him to bring technical expertise in regard to mineral exploration to the Company. These skills are valuable to the Board at this time as the Company’s primary assets are exploration stage properties.

Mr. Hardy currently serves as a director of HuntMountain Resources Ltd. and Rae-Wallace Mining Company and is employed on a full-time basis with Timberline Resources.

For the following reasons the Board concluded that Mr. Hardy should serve as a Director of the Company, in light of its business and structure. Mr. Hardy's management and financial experience in mineral exploration and manufacturing companies enables him to provide financial and operating insight to the Board. Further, his training and experience in accounting and corporate finance, along with his prior executive-level management experience, allow him to bring financial and management expertise to the Company. These skills are valuable to the Board at this time as the Company needs good financial management in its exploration stage activities.

Since May 2005, Mr. Martinez has been an independent mine management and metallurgical consultant. In addition, from May 2005 until September 2008, Mr. Martinez was a member of the Board of Directors of Metallica Resources Inc., and from August 2005 until May 2009, he was a member of the Board of Directors of Zacoro Metals. Executive Compensation Agreements

Dircksen Employment Agreement

Mr. Dircksen entered into a three (3) year employment agreement with annual renewals with us, effective May 1, 2006, to become our Vice President of Exploration. Pursuant to the terms of this agreement, he will function as and perform the customary duties of Vice President of Exploration and will be a member of the Board. On March 21, 2011, Mr. Dircksen was appointed as our Chief Executive Officer and President. Mr. Dircksen and the Company agreed to continue his compensation arrangement pursuant to the same agreement. His compensation includes an annual salary of \$220,500, fringe benefits including payment of medical and dental insurance coverage premiums, and other performance benefits and incentives. In the event of a change of control, if Mr. Dircksen's employment is terminated by the Company without Manifest Cause (as defined below) or by Mr. Dircksen for Good Reason (as defined below), he will be entitled to receive a lump sum payment equaling three (3) times his annual base salary and the continuation of medical and dental insurance benefits as we are then obligated to pay. Mr. Dircksen is permitted to engage in other business activities. Good Reason is defined in the Dircksen employment agreement to mean a reduction in his compensation, title or level of responsibility, a forced relocation or other change to the terms of his employment, or a change of control of the Company. Manifest Cause is defined as a felony conviction, a gross and willful failure to perform his duties, or dishonest conduct which is intentional and materially injurious to the Company.

Prior to May 1, 2006, Mr. Dircksen had a consulting arrangement with us to provide services related to geologic evaluation and marketing of our mineral properties. Under this arrangement, he received payment of \$400 per day or \$50 per hour.

Hardy Employment Agreement

In connection with his appointment, Mr. Hardy entered into an employment agreement with us, effective August 27, 2007. A brief description of the material terms of this agreement are as follows: the term is three (3) years, with annual renewals. The agreement can be terminated by us for cause (without notice), without cause (with three (3) months' notice) or upon a takeover, acquisition or change in control. Under the agreement Mr. Hardy was to act as both Chief Executive and Financial Officer until such time as a new Chief Financial Officer was appointed. Thereafter, he was to remain as Chief Executive Officer during the term of his employment. On March 21, 2011, we appointed Paul Dircksen as our Chief Executive Officer and President with Mr. Hardy continuing as Chief Financial Officer. His compensation under the agreement includes: an annual salary of \$216,500, payment or reimbursement of premiums for health insurance coverage for him and his family, and other performance benefits and incentives. In the event of a change of control, if Mr. Hardy's employment is terminated by the Company without Manifest Cause (as defined below) or by Mr. Hardy for Good Reason (as defined below), he will be entitled to receive a lump sum payment equaling three (3) times his annual base salary and the continuation of medical and dental insurance benefits as we are then obligated to pay. Good Reason is defined in the Hardy employment agreement to mean a reduction in his compensation, title or level of responsibility, a forced relocation or other change to the terms of his employment, or a change of control of the Company. Manifest Cause is defined as a felony conviction, a gross and willful failure to perform his duties, or dishonest conduct which is intentional and materially injurious to the Company.

Retirement, Resignation or Termination Plans

We sponsor no plan, whether written or verbal, that would provide compensation or benefits of any type to an executive upon retirement, or any plan that would provide payment for retirement, resignation, or termination as a result of a change in control of our Company or as a result of a change in the responsibilities of an executive following a change in control of our Company. Specific executive employment agreements described above do, however, provide that in the event of a change of control, if the executive's employment is terminated by the Company without Manifest Cause or by the executive for Good Reason, as such terms are defined in their respective employment agreements, the executive will be entitled to receive a lump sum payment equaling three (3) times annual base salary and the continuation of medical and dental insurance benefits as the Company is then obligated to pay.

Prior to September 30, 2012, we maintained a Supplemental Executive Retirement Plan (SERP), which is funded by insurance and covers Paul Dircksen. We were party to a Supplemental Income Agreement ("Agreement" for purposes of this paragraph) with Paul Dircksen, which provided for the payment of deferred compensation to Mr. Dircksen upon his death, Disability, Retirement or Early Retirement, or upon a Change in Control as defined in Regulations issued by the Internal Revenue Service under IRC Section 409A. Under the terms of the Agreement, if Mr. Dircksen remained actively and continuously employed on a full time basis until his Retirement (defined as his voluntary termination of employment on or after attaining age 65) or his death, Mr. Dircksen would be paid \$100,000 pursuant to the Agreement. If Mr. Dircksen remained actively and continuously

employed on a full time basis until his Early Retirement (defined as his voluntary termination of employment after attaining age 60 and before attaining age 65) or his Disability (as defined in the Agreement) he would be paid each year for ten years an amount equal to 5% of the cash surrender value of the life insurance policy funding the Agreement (the "Policy"). Upon a Change in Control, the Policy would be distributed to Mr. Dirksen and the Agreement would be terminated, with no further obligations on the part of the Company.

During the year ended September 30, 2012, we determined that we no longer wished to maintain SERPs for our management or employees. The Policy was distributed to Mr. Dirksen and the Agreement was terminated, with no further obligation on the part of the Company. In addition, a SERP in a form substantially the same as that provided to Mr. Dirksen that was maintained for a former non-executive employee of the Company was transferred to Randal Hardy during the year ended September 30, 2012. Upon transfer, the Policy was distributed to Mr. Hardy and the Agreement was terminated, with no further obligation on the part of the Company.

ITEM 12. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDERS MATTERS

The following tables set forth information as of January 28, 2014, regarding the ownership of our common stock by:

- each named executive officer, each director and all of our directors and executive officers as a group; and
- each person who is known by us to own more than 5% of our shares of common stock.

The number of shares beneficially owned and the percentage of shares beneficially owned are based on 74,868,938 shares of common stock outstanding as of January 28, 2014. Beneficial ownership is determined in accordance with the rules and regulations of the SEC. Shares subject to options that are exercisable within 60 days following January 28, 2014 are deemed to be outstanding and beneficially owned by the optionee for the purpose of computing share and percentage ownership of that optionee but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person. Except as indicated in the footnotes to this table, and as affected by applicable community property laws, all persons listed have sole voting and investment power for all shares shown as beneficially owned by them.

Accordingly, more than one person may be deemed to be a beneficial owner of the same security. A person is also deemed to be a beneficial owner of any security, which that person has the right to acquire within 60 days, such as options or warrants to purchase our common stock.

(1) In February 2005, our Board adopted the 2005 Equity Incentive Plan which was approved by stockholders on September 23, 2005. This plan authorizes the granting of up to 750,000 non-qualified 10 year stock options to Officers, Directors and consultants. In August 2006, the Board adopted the Amended 2005 Equity Incentive Plan which was approved by stockholders on September 22, 2006. ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS AND DIRECTOR INDEPENDENCE

Transactions with Related Persons

Reportable transactions with related parties, including 5% or greater security holders, during the two fiscal years ended September 30, 2013 and 2012 are as follows.

Except as indicated herein, no officer, director, promoter, or affiliate of Timberline has or proposes to have any direct or indirect material interest in any asset acquired or proposed to be acquired by Timberline through security holdings, contracts, options, or otherwise. In cases where we have entered into such related party transactions, we believe that we have negotiated consideration or compensation that would have been reasonable if the party or parties were not affiliated or related.

Ron Guill and SMD Financing

In October 2008, we entered into a convertible note (as described below) with SMD, a company owned at that time by Mr. Guill. The note was made for a principal amount of \$5 million dollars and is convertible into our common stock, as described below. We used the proceeds of the note to pay off, in part, the \$8 million loan (plus any applicable interest) previously provided to the Company by Auramet Trading, LLC ("Auramet") and described in our Form 8-K filed on July 3, 2008 (such loan is hereafter referred to as the "Auramet Loan") and for general working capital purposes.

The Convertible Term Note

In October 2008, we entered into a series of agreements with SMD in connection with a \$5 million loan from SMD. The loan documents included: a convertible note (the "Convertible Term Note"), a credit agreement (the "Credit Agreement"), a collateral assignment and pledge of stock and security agreement (the "Pledge Agreement"), a security agreement (the "Security Agreement") and a right of first refusal over our Butte Highlands property (the "Right of First Refusal").

The Convertible Term Note had a principal amount of \$5 million and is secured pursuant to the Security Agreement by a pledge of all of the stock of Timberline Drilling, Inc. ("TDI"), a wholly-owned Company subsidiary incorporated in Idaho, pursuant to the Pledge Agreement.

Pursuant to the terms of the Credit Agreement, the Convertible Term Note bears interest at 10% annually, compounded monthly, with interest payments due at maturity. The Convertible Term Note is convertible by SMD at any time prior to payment of the note in full, at a conversion price of \$1.50 per share. SMD may also convert all or any portion of the outstanding amount under the Convertible Term Note into any equity security other than our common stock issued by the Company at the issuance price. The Convertible Term Note must be repaid on or before October 31, 2010, and may be prepaid in whole or in part at any time without premium or penalty. If we default on the Convertible Term Note or any of the related agreements, SMD may declare the Convertible Term Note immediately due and payable, and we must pay SMD an origination fee in the amount of \$50,000.

In June 2010, SMD agreed to extend the Maturity Date of the Convertible Term Note to on or before April 30, 2012. All interest accrued through June 30, 2010 was paid by us to SMD at that time. We also paid a \$50,000 extension fee to SMD in consideration for the extension of the Convertible Term Note. The Convertible Term Note was also amended to require interest accrued subsequent to June 30, 2010 to be paid by

us to SMD monthly, rather than accruing interest to maturity. All other terms of the loan were unchanged.

Under the Right of First Refusal, we granted SMD a right of first refusal to purchase the Butte Highlands Property on the same terms as those of any bona fide offer from a third-party upon 60 days' notice from us of any such offer. In addition, we granted SMD a right to develop the Butte Highlands Property on the same terms as those of any bona fide offer to develop the property from a third-party upon 60 days' notice from us of any such offer.

Effective December 31, 2010 SMD assigned the Convertible Term Note and all related agreements and rights to Juniper Resources, LLC ("Juniper"), an entity also controlled by Ron Guill.

In November 2011, we repaid the Convertible Term Note and all related agreements were cancelled.

Butte Highlands Joint Venture

In October 2008 we announced that we had entered into discussions with Mr. Guill to form a 50/50 joint venture with SMD at Timberline's 100-percent owned Butte Highlands Gold Project.

In July 2009, we entered into an Operating Agreement with Highland Mining, LLC ("Highland"), an affiliate of SMD, to form a 50/50 joint venture for development and mining of our Butte Highlands Gold Project ("BHJV"). Under the terms of the operating agreement, we will contribute its Butte Highlands property to BHJV for a deemed value of \$2 million, and Highland will contribute property and fund all future mine development costs. Both the Company's and Highland's share of costs will be paid out of proceeds from future mine production.

Mr. Guill, a director of the Company and an owner of Highland, was to be the manager of BHJV until such time as all mine development costs less \$2 million are distributed to Highland. At that time, a management committee would be formed with equal representation from Highland and the Company. Under the terms of the Operating Agreement, Highland will have preferential rights with respect to distributions until the investment by the Company is deemed equal to the investment by Highland.

In September 2012, Mr. Guill sold his interest in Highland to Montana State Gold Corporation, a private Corporation not related to Mr. Guill or the Company. As a result, Mr. Guill is no longer the manager of BHJV.

Timberline Drilling, Inc.

In September 2011, we announced that we had entered into a non-binding letter of intent to sell our wholly owned subsidiary, Timberline Drilling, Inc., to a private company formed by a group of investors, including the senior management team of Timberline Drilling, Inc. No management or directors of the Company were affiliated with the buyer. On November 9, 2011, the sale of Timberline Drilling, Inc. was completed.

In conjunction with the sale of Timberline Drilling, we repaid our \$5,000,000 Convertible Term Note, described above, and all accrued interest outstanding to Juniper Resources, LLC, a company controlled by Ron Guill, a 5% security holder of the Company.

Policy for Review of Related Party Transactions

We have a policy for the review of transactions with related persons as set forth in our Audit Committee Charter and internal practices. The policy requires review, approval or ratification of all transactions in which we are a participant and in which any of our directors, executive officers, significant stockholders or an immediate family member of any of the foregoing persons has a direct or indirect material interest, subject to certain categories of transactions that are deemed to be pre-approved under the policy - including employment of executive officers, director compensation (in general, where such transactions are required to be reported in our proxy statement pursuant to SEC compensation disclosure requirements), as well as certain transactions where the amounts involved do not exceed specified thresholds. All related party transactions must be reported for review by the Audit Committee of the Board of Directors pursuant to the Audit Committee's charter and the rules of the NYSE MKT.

Following its review, the Audit Committee determines whether these transactions are in, or not inconsistent with, the best interests of the Company and its stockholders, taking into consideration whether they are on terms no less favorable to the Company than those available with other parties and the related person's interest in the transaction. If a related party transaction is to be ongoing, the Audit Committee may establish guidelines for the Company's management to follow in its ongoing dealings with the related person.

Our policy for review of transactions with related persons was followed in all of the transactions set forth above and all such transactions were reviewed and approved in accordance with our policy for review of transactions with related persons.

Director Independence

We have six directors as of January 28, 2014, including four independent directors, as follows:

- Vance Thornsberry
- Robert Martinez
- Troy Fierro
- Leigh Freeman

An "independent" director is a director whom the Board of Directors has determined satisfies the requirements for independence under Section 803A of the NYSE MKT Company Guide.

ITEM 14. PRINCIPAL ACCOUNTANT FEES AND SERVICES

DeCoria, Maichel & Teague P.S. was the Independent Registered Public Accounting Firm for the Company in the fiscal year ended September 30, 2013.
